

## 2018 Cadillac Barbie Pride Parade Presented by Gilead

Dear Parade Participant:

Indy's first Pride Parade featured one float, an antique truck, a few drag queens, some antique cars, and a handful of walkers. Back then, the parade barely lasted 15 minutes. Since then, it has grown to include well over 100 floats and walking groups this year! We would like to thank you in advance for your participation, and we are excited to have you take part in the Cadillac Barbie Pride Parade. It truly would not be possible without the many sponsors, including the parade's presenting sponsor Gilead- we can't thank them enough for their generous support!

The information below should help direct you and clear up any questions that you may have. If additional information is needed, please contact this year's Parade Coordinator at [parade@indypride.org](mailto:parade@indypride.org).

### **Parade Rules**

The full list of parade rules can be found [here](#).

### **Tips/Reminders**

- Please remind participants that the day of the parade may be hot. It is recommended that people in the parade bring sunscreen, a hat, water, etc.
- We also discourage people from bringing pets to the parade. If participants do, Indy Pride is in no way liable/responsible. Please instead recommend that participants consider bringing their furry friends to Pet Pride on Saturday, June 2<sup>nd</sup>.
- As a reminder, if your group is giving out items to spectators, we ask they hand out any items instead of throwing them. Also, groups are prohibited from handing out stickers.

### **Volunteers/Parade Staff**

We are very fortunate to have many volunteers working to make this year's parade a success. Some are part of the (unpaid) parade staff that have worked tirelessly over the last year on planning while others volunteer the morning of the parade to aid in monitoring and marshalling. Please treat any volunteers you encounter with respect or better yet thank them for giving up part of their day to help with the event! If you need help, all volunteers will be wearing volunteer shirts to make it easier for them to be located.

### **Activities before and after the Parade**

Many people may not realize that Pride consists of more than just the parade and festival which both take place on Saturday, June 9<sup>th</sup>. Please visit [www.indypride.org](http://www.indypride.org) or Indy Pride on Facebook to view a full list of the events during Pride Week- many of which are free to attend! Furthermore, if you or members of your group plan to attend the Pride Festival following the parade, you can conveniently purchase tickets in advance on the website to save time.

In closing, please forward this email along to your members as necessary and appropriate to ensure they are also informed. Once again, we thank you for your participation, and we look forward to seeing you on Saturday, June 9<sup>th</sup>!

Sincerely,

Megan Klopchin
