INDY PRIDE FEST '19 IS SMOKE FREE!

In partnership with the Tobacco Prevention and Cessation Commission, Indy Pride Fest '19 is a tobacco-free event. For your convenience, there are designated smoking areas at the perimeter of the festival (the corner of New York and West Sts. & Blackford St. near the Canal). For the health and safety of all guests, if you choose to smoke (including e-cigarettes), please do so in the designated areas.
